

USGA Rules govern all play

LOCAL RULES

The Rules of Golf as approved by the USGA and the R&A govern play.

A ball coming to rest on sand will be played "through the green".

Bunkers - Our sand dunes are natural to the property and vary in depth & texture. All sandy areas at Gamble Sands are to be played as waste areas. Please take a practice swing, ground your club, and feel free to remove loose impediments. You may play footprints or abnormal ground conditions in sandy areas as ground under repair..

Penalty Areas - Model Local Rule B-1 is in effect.

All desert areas are red penalty areas and the edge of the penalty area is defined by where the grass and desert meet.
